AMUSEMENTS

"THE COUNTY FAIR" AT THE BUTLER TODAY

Maurice Tourneur's big screen version of Neil Burgess's famous rural American racing drama, "The County Fair," featuring freckle-faced Wesley Barry, in an all-star cast of players, will be the special attraction at the Butler today.

You will see in this wonderful picture 25 thoroughbred race horses, hundreds of people, the great horse race scene, Tim rescuing Cold Mo lasses from the burning stable, Wesley Barry catching the greased pig, the big midway with its freaks and fakes, in fact everything that goes to make up the comedy and excitement in spending the day in the country at a regular old-fashioned county fair.

There are hundreds of thrills in the screen story where there was one in the play. On the stage it was known as a classic, and where the play was naturally limited upon the stage, the picture version gains sweep and scope and intimacy of detail which is impossible to show under any other form of entertainment than that of the screen. You'll like it all right, you're sure to. Added to the feature will be a vaudeville film and Pathe News.

Tomorrow, Allan Dwan's big production, "In the Heart of a Fool," a powerful human interest story of love and suspense.

MT. MONTGOMERY ROUTE

Kilworth Taylor was here from Benton yesterday arranging to begin work on the new Mt. Montgomery route to Tonopah. A small force, probably about 10 men, will be busy on road improvement between Hamilton and Benton station. By the time that is finished, James G. Denby will have returned from a business trip to Los Angeles. He will see what support can be had from the Tonopah and of the route, and will arrange for work on the sections beyond Mt. Montgomery. Bishop Rockster.

GOES TO SERVE SENTENCE

Yesterday morning Deputy Sheriff James Tindin left for Carson City with Trinidad Gusman, who was sentenced by Judge Averill to serve from one to 14 years in the state prison for the attempt to kill Fred Willbrook last summer, whom he shot twice in the body.

AUTHOR AND CRITIC IS ENTERTAINER

(By Associated Press)
TOURS, France, Feb. 7. Anatole France, the aged French author and critic, who has just announced his adherence to the Communist party of France, lives in a large villa, about 25 minutes' walk from the nearest tramway terminus running out of town, and is known to the peasants for miles around for his democratic manner and his weekly Sunday receptions to which every one, rich or poor, bourgeois or worker, peasant or city dweller, is received on the same footing.

Sunday is the day of rest for the peasants and time hangs heavily on the hands of the hardy tillers of the soil. The father often proposes the moving picture house, but the hard-working, centime-saving mother balks at spending 10 to 12 francs for tickets to the cinema and tries to compromise by suggesting the zoological gardens.

ASSEMBLYMAN PIERCY HERE

Hon. J. C. Piercy, assemblyman of Nye county, returned to Carson City this morning. While here Mr. Piercy interviewed his constituents on matters now pending and legislation to come before the legislative body now in session, and he returns to his work with the knowledge of what will benefit the taxpayers and people of his county.

RUSSIA HAS BIG QUANTITY OF OIL

(By Associated Press)
LONDON, Feb. 7. The Russian soviet government believes it has obtained access to vast quantities of oil in Azerbaijan, now that the government of that country has been sovietized. A wireless message from Moscow states that there are now 3,450,000 tons of oil in stock in Azerbaijan, and that Serebrovsky, the chairman of the Azerbaijan soviet, expects to be able to deliver about 4,800,000 tons of oil next year. Of this amount 4,000,000 tons will be from Baku and the remainder from Grozny.

It is also announced through Moscow that the Azerbaijan soviet has nationalized 186 oil producers and has undertaken to increase the production of oil by drilling 60 new wells and resuming work on other ones that had been abandoned by their former owners.

GOOD SHOWING AT ILLIPAH

A telegram received today by C. H. Freed from J. E. Amenda, manager of the Illipah Petroleum, reports the drill has reached a depth of 740 feet with a good showing of oil. "Can look for the big sensation any day now," states Mr. Amenda.
